

Welcome to the GVR Hiking Club Hall of Fame

This Hall of Fame honors members who made significant contributions to the activities of the club and its members. A common trait shared by these honorees was their outstanding ability to make hiking a truly safe and enjoyable experience for fellow hikers.

In 2022, the GVR Hiking Club Board of Directors revamped the policy for eligibility in the Hall of Fame. This policy is found in the GVRHC Policy Manual.

David Colpitts – Inducted 2025 / Leader 2010 - 2024

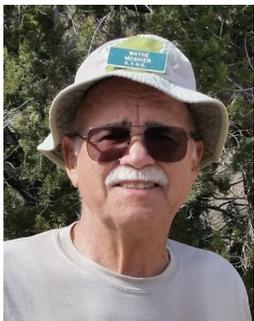

David was active with the club for 22 years, part time from Alberta, Canada with his wife, Wendy. David joined the club in 2002, became a leader in 2010, and led over 80 hikes before retiring in 2024. He served as Vice-President 2011-2012, President in 2012 -2013, and Volunteer Services in 2013-2014. As a leader, David was passionate about having alternative plans on hikes in case something went awry (see below example) and he was excellent at navigating in diverse and unfamiliar terrain. David will be remembered for initiating, developing and teaching how to read topographic maps, conducting orienteering courses, instructing how to use a compass and assisting with GPS courses. He mentored several members to become leaders and assistant hike leaders.

David was an Orientation presenter, shared his hike treks as a speaker for Potlucks and was a contributing writer to Trail Tails. One very interesting submission, Spring 22 addition, was titled "A Chilly Thursday Morn" about a hike in Madera he led in Feb. 2011 when the temperature was 15 degrees. The hikemaster gave all leaders the option to cancel, only David opted to go ahead with his hike. The 10 or so hikers were on Pipeline Trail when they ran into an ice pillar about 2-3 ft high from a pipeline burst, that had sprayed water 12-15 feet in all directions. David made an impromptu and nasty bushwack to get around that as the hikers did not have grippers, skates or wings. It was indeed a memorable hike!

His favorite hike was to Wasson Peak via King Canyon. Initially he did it at an A pace, then as age-induced 'decrepitude' set in, at a B pace, and finally at a puffing C pace. David was known for carrying a thermos of red rose black tea that necessitated a longer than usual break because "you just don't rush teatime", for introducing club members to the yellow plastic banana pack case that protected his banana, for playing the harmonica on the Christmas hike and being an author of 3 books, available on Amazon.

Wayne Moshier – Inducted 2025 / Leader 1999 – 2024

Wayne joined the club in 1998 and led his first hike in December 1999. Until his retirement in 2024 he led over 4,000 hikers on 312 club hikes and received his 7,000-mile patch. Wayne served as the Trail Maintenance Chair from 2006 to 2009, Assistant Hikemaster in 2008-2009 and Hikemaster in 2009-2010. He trained and was a beloved mentor to many hike leaders.

Wayne was famous (some would say infamous) for exploring and inventing new hikes. He created, co-authored and updated more than 100 club hikes. Many of his hikes were developed with the assistance of the "Tuesday group", which he organized and led for many years. Wayne's ability to bushwhack his way through canyons and across mountain ridges where there were no trails became so well-known that bushwhacking came to be referred to as "moshiering." As he navigated his way through what appeared to be impossible terrain, he would rally his hikers with how bad can it be? or we don't need no stinkin' trails!

What the club nicknamed "Moshier Spring" was discovered by Wayne near Rogers' Rock in Madera Canyon during one of his many wanderings.

Stephen Herron – Inducted 2025 / Assistant Leader 2013 – 2024

Stephen joined the club in 2011. He became an assistant leader in 2013 and until his retirement in 2024 amassed an impressive 168 sweeps. Stephen especially enjoyed giving leaders their mileage awards and had the honor of presenting Helen Zaukas with her 6,500-mile patch.

Stephen served as webmaster from 2014 to 2025. He redesigned the club website, added a site for hiking club members to share their photos, and created a webpage giving leaders direct capability to access the club's hike inventory. He set up a cloud-based content management site so that club files could be shared and kept up to date in one location. He also researched and set up a member management site to organize the club's membership, orientation, events, sales, and eventual sign-up for weekly hikes.

Stephen designed the club's t-shirt, incorporating Lillian Monson's logo. He volunteered for trail maintenance, Memorial Day flag display along la Cañada, and Whitehouse Canyon Road clean-ups.

Jim Riley – Inducted 2025 / Leader 2007 – 2024

Jim joined the hiking club in 2001. Jim loved hiking in the Santa Ritas and particularly fond of Pete Mountain and Waterfall Loop. He frequently led Seven Falls in the Catalinas. Jim gravitated toward hikes with water because he loved being around water, living on the East Coast, when he was not in Green Valley. Jim often hiked with his wife Marilyn as his assistant hike leader.

Jim took great pleasure in leading, not only hikes (135), but also the club, serving on the board from 2010 until 2014. He was President for two years, 2011/12 and 2013/14, Assistant Hikemaster in 2014/15 and Hikemaster in 2015/16. Serving in these roles shows how passionate Jim was about keeping the hiking club on a steady trail. Jim was skilled at taking on leadership roles, he admits he needed more than a "sweep" to help him anything related to computer or technology and was grateful for the help he was given.

Jim trained as a leader in 2007 under Barry Murdoch's time as Hikemaster. Jim was in a group known as Murdoch's Marauders along with 8 others that became hiker leaders at the same time.

As a retired dentist, Jim honed his skills on telling puns on people who couldn't respond sitting in his dentist chair. When he became a hike leader he used these puns on hikes, often in an attempt to distract hikers from steep climbs or rough trails. Hikers did groan and sometimes laughed at them, which gave Jim pleasure. He will be remembered for the many puns, making his hikes not only safe, but enjoyable too.

Bob Porterfield – Inducted 2023 / Leader 2004-2020

Bob joined the GVRHC in November 2002 and led his first hike in 2004. He led hikes for 17 years leading 176 hikes and sweeping another 98 hikes for our club. He served on the club's Board as the Orientation Chair and other positions culminating as the President in 2007/8.

Bob was our Assistant Hikemaster in 2015/16 and Hikemaster in 2016/17. This is when he formed a committee to update the seasonal ratings for all our hikes. He also developed, through analysis, the number of hikes to be run each week for each level, still in use today. Bob also developed a computer system support for the Hikemaster allowing them to focus on their duties. After updating the process for Leader training, he recruited the second largest number of Leaders and Sweeps ever for the club - 17.

Helen Zaukas – Inducted 2022 / Leader 1996-2021

Helen joined the club in 1985 and became a leader in 1996. She served as Hike Master in 2010-2011. Helen retired as a leader in 2021, and during those 25 years as a leader she led 298 hikes, swept 209 and developed many new hikes. In 1991, Helen was the first non-leader to join the Board and, in the ensuing years served as Orientation Chair, Secretary, Vice President and President. During this time, she initiated the first hike-leader appreciation dinner, developed the first club directory, helped develop the orientation program, and initiated annual club dues (replacing the practice of putting a quarter in a coffee can on hike day – some members used slugs!!)

In 2003, she led the rerating of all hikes as difficult, moderate, or easy within the A, B and C-hike categories, and added their trail and road conditions. In 2006, she helped initiate the seasonal ratings of all club hikes. Later, she saw that the club email wasn't being monitored and took on the roll herself for many years. On induction to the Hall of Fame, Helen was the club's longest active member (37 years) and had more hike miles with the club – 8,000 – than any other member ever.

Frank Surpless – Inducted 2022 / Leader 2003-2021

Frank served as Hike Master in 2012-2013 and volunteered with the club in many other roles over the years. He led his first hike – Little Wild Horse Tank – in 2003 and his last – Lower Madera Canyon Trail – in 2019. He retired as a leader in 2021 having led or swept 191 hikes. He developed a slew of new hikes, mentored new leaders and sweeps, served as an orientation presenter, and edited the Trail Tales newsletter. Frank always had a smiling face and a story to tell when leading a hike.

The following honorees were inducted prior to 2022. All are former hike leaders. They are shown in the order of when they first became leaders.

Bill and Jane Necker – Leaders 1981-1986

In 1981, the GVR Director asked the Neckers to begin a walking group. They declined but expressed their interest in hiking instead. When GVR gave its support Bill and Jane put an article in the Green Valley News. Thursday was a good day for them. About 35 people showed up to hike the Madera Canyon Nature Trail as far as it went (about where the store is now.) Those on that hike expressed an interest in continuing so Bill and Jane scheduled a hike to Josephine Saddle two weeks later. Bill started keeping records of hikers. The GVR director suggested awarding patches for which GVR paid. Bill designed the 50-mile patch and the 250- and 500-mile rockers. In March 1984, on a trail in Madera Canyon, Bill organized the group to be a charter GVR club. As more people heard about the club attendance snowballed. Bill and Jane resigned as leaders in 1986.

Bernadette (Bernie) Green – Leader 1981-1992

Bernie began hiking with the Neckers in September 1981 and became a leader in October. She served as Vice President in 1984/85 and President in 1985/86. She was Trail Maintenance Supervisor in 1988/89. She continued leading until 1992.

Besides helping find many new trails, Cameron initiated nametags, the monthly bulletins, first aid kits, and the necessity and use of good boots. He also stressed the importance of drinking lots of water. Before the organized orientation sessions, he expected leaders to take new hikers aside at lunch break to tell them about rules of the club. Cameron resigned in 1993.

Irene Ritch Flower – Leader 1983-1993

Irene joined the club in January 1982, and became a leader in 1983. Svend Kristensen – Leader 1984-1996

Svend joined the club in 1984 and started leading hikes the same year. He resigned in December 1996. Svend loved scouting new areas and seemed to have a “built-in compass.” As he was known to say, “I may be lost but I always know where I am.” He moved back to Denmark in 1999.

Mag Turner – Leader 1985-1993

Mag joined the club in February 1984 and began serving as a leader in November 1985. She served on the Board as Publicity officer from 1986 to 1989. Suggesting and naming a newsletter for the Club, she was Editor of “Trail Tales” from 1991 to 2004. She was especially happy to serve on both the Orientation and Dues Committees. Her suggestion to compile information of hiking areas later led to the Club Library. She received the first 5000-mile award in February 2004 followed by the first 5,500 patch in September 2006. She joined the Emeritus Leaders April 26, 2007, after leading the Madera Trail Twist, but continued as an Assistant Leader until 2009.

In 1988 Wally invited anyone who wanted to hike the day after Thanksgiving to join him. It was so well attended that in 1989 the club's Board decided to schedule one club hike for credit the Friday after Thanksgiving each year. It was decided to honor the current President, whether that person was a leader or not, by having the President lead the hike, thus the "President's Hike." Wally is credited with naming several locations on hikes after hikers and leaders. He had so many standing "comments" that they have become known as "Wallyisms." He resigned in 2002.

It was during this time he decided, with Board approval, that the month of June should be a vacation for the Hike Master. Among a number of things put in place during his term of office were obtaining a post office box, a logo to be used on bulletins and club stationery, and a newsletter to keep hikers informed about the club. Bob chaired the committee for Orientation and Registration, which was begun on a trial basis in January 1993. He chaired the committee to develop the annual dues program. This was initiated January 1, 1995. He also headed the committee for the Operations and Historical Records file in February 1999. In the club annals at least, "Lund's Peak" is named for him. In addition to Bill, Milt credits Wally Morrell and Charlie Delbecq for teaching him how to lead hikes and have a lot of fun doing it. One of the best things Milt discovered in his 20 years of hiking with the club is that hikers are wonderful people. Milt's favorite hike is Sycamore Canyon off Ruby Road because of its beautiful pools and unusual rock formations. On December 21, 2006, Milt led his farewell hike to Daniel's Mine. On the same hike he received his Leader Emeritus patch.

In 1989 when Freddie was considering moving to Green Valley she met GVHC hikers on Picacho Peak (she looked the group over very carefully). After moving to Green Valley and joining the club, she became a Leader in 1990. Freddie's last time to lead was May 2007, and she retired in February 2008. She served as Treasurer from 1994 to 1996. Clayton joined the club the first month he stayed in Arizona in 1984. In the mid 1980s, the club began to maintain the Nature Trail in Madera Canyon under the Forest Service's Adopt a Trail Program. Kate Foster – Leader 1994-1997

Kate started hiking a few months after moving to Green Valley in 1986. At the persuasion of the Hike Master at the time, she agreed to become a leader in the spring of 1994. That made Kate and Milt the first “couple” leaders since the Neckers. She resigned in 1997.

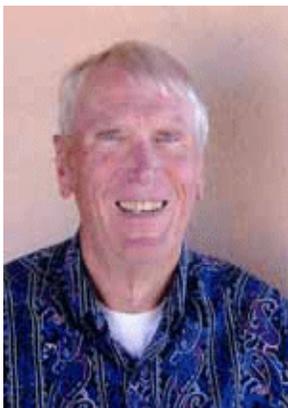

Ken Fleshman – Leader 1994-2015

Ken began leading about 1995 and served as Hike Master from 2001/02. He took real pleasure in being able to share his enthusiasm for the mountains and desert with other members of the club. At first he led all levels of hikes, but for the last several years led only C on which he was able to share his knowledge of the history and geography of our hikes. Some of his favorite hikes over the past 20 years have been on the Arizona Trail and especially the stage from the Box Canyon trailhead south. He had dreamed of hiking the whole trail someday, but now says “it isn’t going to happen”.

Tad’s first hike was November 18, 1993. His first time to lead was to Bog Springs on November 30, 1995. He served as Orientation Chairman in 2002/03 and was an Orientation presenter for several years. He enjoyed leading and explaining where the hike was, where it was going, and what was being seen. This involved chatter, imaginative stories, and great arm waving. Hikers will remember him for his fun stories, such as one told when viewing the rock formations on the Tumacacori Ramble “Alice Algae was a real good cook, She could cook anything under the sun. Freddie Fungus was a real Fun Guy. Freddie and Alice took a Lichen to each other and started hanging around together on rocks and cliffs and boulders. He then served a three-year term as Treasurer, from 1998 through 2000. “Having ascended Mt. Wrightson even before joining the Hiking Club, the choice of hikes has been difficult. For all of the hikes I’ve led or been on, Silver Hill and Black Mountain are my favorites, and Elephant Head in my younger days and San Cayentano a decade later were the most challenging.”

Jim started leading hikes in May 1996 and led his last hike in 2006, after a decade of serving as a leader. Jim also served on the Board as Treasure and was Assistant Hike Master and Hike Master during the years of 1997, 1998, and 1999.

In 1999 Bob headed a committee to compile information about various hikes and many maps for the leaders to use. He was Assistant Hike Master in 1999/2000 and Hike Master in 2000/2001. As Hike Master he succeeded in getting written descriptions completed for the numerous hikes that did not have them. He also resurrected many old hikes by scheduling each week a few hikes that had not been done for three or more years. Bob retired as a leader in 2007. Bob said that the people that he associated with in the GVHC are the greatest!

Mayme Specht – Leader 1998-2011

She served as Exalted Ruler of the Green Valley Elks Lodge in 2002/2003, being that Lodge's first female Exalted Ruler. In January 2012, Mayme was appointed Leader Emeritus in recognition of her many years of service as a leader.

Jack Hummel – Leader 1998-2002

Jack's first hike was in January 1995. He was a leader from 1998 until March 2002. The Hummels were part-time residents of Green Valley, spending part of the year at their home in Alaska.

Tom retired as a leader in October 2013 and received his emeritus badge on January 14, 2014 at the Leaders' breakfast. During his tenure as leader, Tom was active in opening up many new hikes for the club. He is still an active hiker. Over the years Tom has also worked as the club's historian. He has written and edited many articles about the history of southern Arizona relative to the hikes the club does and posts them online on the club's website. He also has a small lending library of Southern Arizona material, which is available to club members.

Peggy Smith – Leader 1999-2008

Peggy Smith called it quits in 2008 after leading and sweeping hikes since early 1999 in order to avoid being unceremoniously buried along the trail. She loved every minute of wrangling hikers, coaxing bear off the trail, trying to discover every elusive bird, wildflower, tree, bug and large rock on which to sit and leave glasses. She actually enjoyed being Assistant Hike Master in 2004/05 and Hike Master in 2005/06, losing only a few friends over that job. Driving for each and every hike no matter how terrifying avoided the problem of leaving jackets that were never returned. Joyfully working on potlucks in order to avoid chairing anything was a strategy that worked. She wishes happy trails to the club forever and urges everyone to be sure to drink V8 on every hike.

Barry Murdoch – Leader 1999-2009

Barry Murdoch first hiked with the club on November 25, 1994, the President's Day hike. He led his first hike to Dutch John Spring on October 28, 1999. For a number of years he was an Orientation presenter. Barry was instrumental in changing the club's records to an Excel program, writing many of the formulas. He worked out the parking logistics when the club parking was moved to the west side of GVR's West Center. As Hike Master, he trained nine new Leaders who named themselves "Murdoch's Marauders." Barry resigned in 2009. A Memorial in his memory was on January 23, 2010.

She says "the GVRHC has provided me with an 'extended family' coming from Alaska and the opportunity to meet wonderful people who share my love of the great outdoors." Patty really loved 'bushwhacking' so some of her favorite hikes were Buenos Aires Cumero Peak, Amigo Basin, and Bartolo Basins.

She was a donor to the Ramsey Canyon Nature Conservancy Preserve and served on the board of the Canyon's Overseers before the Conservancy took over the care of the Canyon. Her name is on a plate outside the Preserve Bookstore honoring her many contributions.

Marylee joined the GVRHC in 1999. She led hikes for 14 years beginning in 2001. She started the wildflower identification hikes and became known as the "Queen of the Flower Hikes". She led A, B, and C hikes in almost every mountain range around and, although a snowbird, received her 3000-mile patch in 2013. Her many highlights as a leader included introducing hikers to Arizona's hiking and history; working with devoted Hike Masters, leaders, and assistant leaders; training new leaders; and leading the Crest Trail Hike. The privilege of being a hike leader for 14 years and developing many friendships while hiking was a significant phase of LaVern's life.

Dan Schroeder – Leader 2001-2017

Dan took his first hike in Oct 1996, had his first assignment as sweep on the Christmas hike in 1999, led his first hike on 1 Feb 2001 and his last one on 16 Mar 2017. This last job was made possible with the help of more than 20 Leaders who supplied GPS tracks. Those regions in southern AZ that rank among his top areas for hikes are the Atascosas, Agua Caliente Rincon area and Robles Pass-Tucson Mtn Park. He worked hard to follow the dictum of Tracy Ackerman – "Make every hike interesting."

Bud joined the club in 1998. He led hikes for 14 years and was a regular on the Tues. Scout Group that wrote up many new hikes. Bud was the Assistant Hike Master 2006/07 and Hike Master 2007/08. He also served on the Orientation Team to welcome perspective new members to the club. "He loved exploring, finding new trails or no trails, refining them with his hiking buddies so he could share those hikes with the club." Bud was not afraid of challenges. As you can see by the hikes he developed and lead into some trackless areas, he took on many. He took great pleasure in showing hikers his discoveries as he was telling them: "In Nebraska this would be a state park". His followers were almost always treated to a good joke or story and remembrances of hiking with our early club leaders.

Ron Barry – 2002-2015

Ron started hiking with the club in Oct 2000 and became a Hike Leader in Jan 2002. He became Webmaster in 2002, Assistant Hike Master in 2003, and Hike Master in 2004. He retired from Webmaster and Hike Leader in 2015. He continued to hike with the club for several years.
